

Reflective Letters, Numbers and Kits

Reflective • UV Stable

Technical Data Sheet

Part: #WFS- ES-0013

General Description

Reflective Letters, Numbers and Kits

- Identify assets in low light conditions
- Laminate protects against UV, abrasion and chemicals
- Variety of colors and sizes
- Characters: A- Z, 0-9, blank, dash, slash and phase available

Available in a variety of styles and materials, Frick's reflective characters facilitate the inspection process by enabling you to more easily identify your assets.

Reflective Numbers / Letters

Highly reflective letters and numbers that you can easily spot in all weather conditions and at all times of day. Laminated for extra protection against UV rays, abrasion and chemicals, these durable 3M Scotchlite™ reflective labels are available in packs of 25 labels offering 0-9, A- Z, blank, phase, dash and slash or in kit form. See below for available colors. Other reflective grades available.

Applications

Safety & Compliance, Pedestal Labeling, Asset Marking & Tracking, Reflective Number Letter Kits, Outdoor Use, Overhead & Above Ground Marking, Ground Level Marking, Outdoor Labels and Numbers
