

# Safety Posters

Safety

## Technical Data Sheet

Part: #WFS- ES-0022

### General Description

#### Safety Posters

- Custom graphics
- Custom colors
- Wide variety of sizes and logos
- Choice of materials and attachments

Display important information indoors and out with full color, highly visible safety posters by William Frick & Company. Your posters can be custom designed to include specified colors, sizes, messages and materials. Add full color images and photos to enhance your written messages. You can even have your posters laminated to protect against wear and tear, or framed with easy- to- install hooks. Full- color images and photos can be used to enhance your written messages.

### Applications

Safety & Compliance
