

Adhesive Tape

- Long-lasting
- Highly visible
- Water, oil, alkali and acid resistant
- APWA color coded

Description

Mark lanes and decrease liability in high-risk injury areas with Adhesive Tape. The highly visible adhesive tape ensures your message is not faded or torn and is easily removed from steps, pillars, walls, parking lots, and lifts.

The pressure sensitive 6 mil PVC Adhesive Tape is available in both solid and striped options and is water, oil, alkali and acid resistant. Adhesive Tape rolls come in both 2" and 3" width and 18- and 36-yard lengths.
