

Cable Clipper® Cable Markers

- Easily identify aerial cables from the ground
- UV stable and outdoor durable PVC marker and label
- Adhesive strip along inside of clip ensures the marker won't spin
- Telecommunications Orange - Dimensions: 6" W x 1.625" H

Description

Highly visible from the ground, cable clippers quickly communicate ownership of the attached aerial fiber optic cable. PVC cable markers simply clip over the cable while an adhesive strip secures the marker to the cable, creating a snug fit. Choose from a variety of diameters and lengths. Messages can be custom printed in your choice of colors. Reflective and vinyl materials are laminated for added UV protection.

Available Colors: Orange, Red, Yellow, Blue or custom colors

Available Sizes: 6"x2", 6"x4", 12"x4"

Diameters: 0.25", 0.60", 1.0" or custom cable size
