

Flagging Tape

- Highly visible
- Outdoor durable
- Made in the USA
- APWA Utility Legends and Custom Printing Available

Description

Communicate hazards and other safety concerns with highly visible and colorful Flagging Tape. Choose between solid, vibrant colors or day/night colors, pre-printed legends, patterned and custom printed tapes.

Flagging Tape comes in a variety of materials perfect for every application including construction, surveying, forestry, nursery, mining, geophysics, hardware and oil exploration industries.

Provide additional communication with custom printed or pre-printed legends. All Flagging Tape is available in custom sizes.

Туре	Material	Temperature Resistance	Width	Standard Thickness	Standard Length	PresGlo Thickness	PreGlo Length
Solid	Taffeta	-10°F	1", 1 3/16"	2.5 mil	300′	4.5 mil	150′
Nursery	Taffeta	-10°F	1/2″	2.5 mil	300′	4.5 mil	150′
Solid	Course Matte	-20°F	1″, 1 3/16″	2.0 mil	300′	2.0 mil	150′
Printed	Course Matte	-20°F	1 1/2″	2.0 mil	300′	2.5 mil	150′
Patterend	Course Matte	-20°F	1 3/16″	2.0 mil	300′	2.5 mil	150′
Solid	Texas	-20°F	1", 1 3/16"	2.0 mil	300′	3.0 mil	150′
Solid	Arctic	-40°F	1″, 1 3/16″	3.0 mil	300′	5.0 mil	150′
Solid	Edgemark		1″, 1 3/16″		300′	2.5 mil	150′
Day Night			1 3/16″	2.0 mil	300′	2.5 mil	150′
Biodegradable	Non-Woven Cellulosic		1″		100′		100′

Additional information

Model Number	WFS-ES-FLAGGING-TAPE				
Applications	Asset Marking, Asset Tracking, Construction, Gas, Oil, Outdoor Use, Safety & Compliance, Utility Labeling, Water Pipelines				
UV Resistance	Excellent				
Water Resistance	Excellent				
Temperature Service Range	-40°F
