

Magnetic Car Signs

- Highly visible safety messaging
- Easily removable and reusable
- Great for cars, vans and trucks
- Custom messaging and sizes available

Description

Build awareness for the safety of the public and your workers while reminding community members to stay 6 feet away with Frick's Magnetic Car Signs.

These signs can be applied to metal surfaces and are easy to apply, reposition, remove and reuse, leaving no residue behind. They are outdoor durable and great for cars, vans and trucks.

Create your signs using custom messaging, colors and sizes. Add your branding and contact information for an additional promotional lift.
