

Safety Fence

- Highly visible and durable
- Easy to install
- Economy to Diamond grade options
- OSHA Orange and Orange Glow available

Description

Easily warn pedestrians of hazards, mark construction sites, work sites and direct high traffic areas with easy to install Safety Fences. These fences are available with rectangle and diamond grids in Economy, Standard and Diamond grade options.

For extra caution, the Diamond Caution Message Safety Fence has black on yellow CAUTION/CUIDADO Barricade Tape welded to the top, bottom and center of the fence.
