

Utility Pole Wraps

- Reusable "Working on Line" sign
- Reflective strips increase visibility
- Customize with safety message and logo
- Multiple attachment methods available

Description

Increase visibility of your crew working on utility lines and transformers with our reflective, reusable Utility Pole Wraps.

Choose between two attachment methods. The Velcro® attachment is adjustable allowing the wrap to fit most pole sizes while the magnetic attachment is suitable for any steel surfaces.

Customize the wraps with your messaging and logo. Include extra safety by adding a Lock Out Tag to the included grommet or clear side pocket.
